

### Painting and Celebrating Chinese New Year

We have started celebrating Chinese New Year by doing craft activities. Butterflies did a painting which calls 'year of the dog'. They have discussed about painting and explored the meaning of the activity.

Learning area: fine motor skills, eye-hand co-ordination, expressive language

### Creative Play

*Ns, Di, Oj and Nc* created balancing walking steps with the educator's assistance. Then *Ns and Nc* put all blocks in the car and pretended to carry them here and there as luggage.

Learning skills: concentration skills, expressive language, and learning about different types of families.
