

18-2-15

It was hot but nice day today. Caterpillars enjoyed the day by engaging in various experiences like:

Painting

All the children showed great interest in painting experience. We made Chinese lanterns to celebrate the Chinese New Year. The children used cotton buds to paint the lanterns with red and blue colours. *Or and Ma* engaged in colouring experience where they were able to use their fine motor and concentration skills to colour the picture.

Learning skills; fine motor, concentration, coordination and creativity.

Gross motor

Caterpillars are exploring and engaging in gross motor. *Or, Al and Ka* tried to walk on the balancing stones. *Or* raised her arm up to balance her body while walking.

Learning skills; Balancing, determination, concentration and flexibility.

Caterpillars achieved a lot in playing in Butterfly's environment. As shown in the picture *Ka* sitting and pushing the bike with his legs.

Today *Miss I* and all the Caterpillars sang Old McDonald had a farm, Daddy finger and The wheels on the bus, and played musical instruments.
