

Excursion to park and Post box on Belmore street

Date: 26/04/2018

Posting Invitation letters:

This week, the children coloured the invitation cards, the older butterflies also wrote their first names on their cards and put it inside the envelope. Ms K wrote their mother names and home address and explained that when we post the letter, it will be delivered to the address written on the envelopes. All children pasted stamps on the letters and dropped it in the post box.

Learning areas: Literacy skills, writing first names, learning their home address, learning the procedure to post letters

Visit to the park

While walking to the park, the children took responsibility of their own safety by following educators' instructions and followed road safety rules. At the park, they enjoyed playing on swings, slides, see-saw and obstacle course equipment, practising their balancing and coordination skills. They took turns to play on the swings and equipment. The children enjoyed playing the group game- 'duck -duck goose', followed the rules and took turns while participating actively in the group game.

Learning areas: understanding responsibilities for community participation, sharing, taking turns, following rules
