

Caterpillars had a fun time joining butterfly's group to play in their play area. It was beautiful and spacious.

Ma tried to do the number puzzle. At the beginning, she found it difficult to fix the puzzles orderly. *Ms T* supported and guided her through to solve the puzzle with pride.

Ma was fully involved in initiating and participating in painting experiences. She used orange and blue colour to paint a *Koala*.

Making friendships.

Caterpillars children have started holding hands making friends with each other. *Al and Di* were best friends today. They participated in various experience together including sand play.
