### Craft

Craft was the experience all the children shown interest in today. *Ma, Ka and Sw* painted with different intensions. *Ma* painted rain, *Sw* bird and *Ka* his Daddy.

The caterpillar group also enjoyed collage as they sorted their favourite different vegetables, fruits, food and collaged them on the paper.

**Learning skills;** creativity, coordination, fine motor, concentration, imagination.

### Sand play

*Jm* had a great day engaging in sand play. She pretended to cook rice for *Ms T and Ms I* and spent a long period of time cooking her rice in the sand pit area. *Al* also filled the cups in the sand with shovel and emptied them.

**Learning Skills;** Pretend play, imagination, Language, filling and emptying.

### Group time

Group time educator presented children family photos to them and all the children were able to identify their family's photos. But *Ka* was able to identify other families as well. Eg He was able to recognise *Na and Al's* families.
