Craft

Caterpillars always enjoy participating in craft experiences. The above pictures showed *M*, *E*, and *Ma* involved in creating masks. *Jo* painted farm animals.

Learning skills creativity, Concentration, coordination and fine motor.

Puzzles, construction and book.

These days *E*, *Ma*, and *Ja* always involve in doing puzzles. Most of the time, they act to assist each other to broaden their understanding of their world. Which demonstrate a sense of belonging and comfort in their environments.

Av demonstrates great interest in trains, he built the tracks together and then ride his trains on it. *M* love books, she sits open the book and look the pictures. **Learning skills;** Cognitive, language, social play and sharing.

Gross motor *Ma* and *E* enjoyed climbing the ladder, walked to the slide and then slide down.

Learning skills balancing, coordination and concentration.

Group time

Caterpillars are singing songs like *McDonell farm, 1,2,3,4,5... once I cut a fish alive!* and others. They are also learning about colours and numbers.
